PETER C
PE MAY CO
N. J.

trees were made by Champion Corson
 in 1865 and given to Mrs E. V. Corson of
 Morris N. J. by his son. She made a copy
 in 1893. and loaned it to me in 1926 to be
 typed and prints given to the Historical Society.
 Corson, yeoman purchased 300 acres of land
 in West New Jersey Society in 1695.
 Corson, weaver, at the same time bought
 acres. Both deeds are in the hands of Sarah Corson
 of Irving, N. J. The two men are supposed to have
 lived in the County about 1685. See Starbuck's History p 68.

Note by
Alan Corson
Phila Pa
1927

These trees were made by Champion Corson about 1865 and given to Mrs E. V. Corson of Marmora N. J. by his son. She made a copy about 1893. and loaned it to me in 1926 to be traced and prints given to the Historical Society. John Corson, yeoman purchased 300 acres of land from the West New Jersey Society in 1695. Peter Corson, weaver, at the same time bought 400 acres. Both deeds are in the hands of Sarah Corson Petersburg, N. J. The two men are supposed to have settled in the County about 1685. See Starbuck History p 68.
